

Kameyama city Seki Elementary School
To all Parents

Kameyama city Seki Elementary school

Measures to be taken in case Storm warning (Boufu Keihou), Blizzard warning (Boufusetu Keihou) and Emergency warning (Tokubetsu Keihou) is issued

We would like to ask the parents to fully understand the following matters and take appropriate measures regarding this matter. When Storm warning, Blizzard warning and Emergency warning is issued, we take the action as below. In case the heavy rain, flood or other special warning is issued, we will take proper action after emergency announcement from school.

The school will send information through school mail system (Seki-syou mail). However, we may contact the parent by telephone or the leader of district committee through the PTA emergency contact network depends on the situation. We ask for your cooperation.

(Notes)

1 In case Storm warning, Blizzard warning and Emergency warning is issued

- ◎ Children should stay at home

2 In case Storm warning, Blizzard warning and Emergency warning is lifted

① In case the warning is lifted until 7:00 am

- ◎ After the parent confirms the safety, please let the child come school.

② In case the warning is lifted from 7:00 to 8:30 am

- ◎ After the parent confirms the safety, let the child come school promptly.
 - Even if the child comes late for school, we don't consider it "delay".
 - The children have simple school lunch and the normal classes.

③ In case the warning is lifted from 8:30 to 11:00 am

- ◎ Following the instructions of school, the parent confirms the safety and let the child come school.
 - We inform you the starting time of classes by emergency contact (the school mail, etc.) system.
 - Even if the child comes late for school, we don't consider it "delay".
 - In case the classes start in the morning, the children have simple school lunch.

3 In case the storm warning blizzard warning or emergency warning is not lifted until 11:00 am

◎ Children should stay at home

4 In case the storm warning, blizzard warning or emergency warning is issued while on the way to school

◎ Let the children go back home
• We inform you this matter by emergency contact (the school mail, etc.) system.

5 In case storm warning, blizzard warning or emergency warning is issued after starting the classes

① In principle

◎ We stop the classes at once, and let the children go home in group by the districts.
(The staff of school leads the children)
• We inform you this matter by emergency contact (the school mail, etc.) system.

② In case that seems dangerous

◎ The children stay at school, and we let them go home after we confirm the situation.
◎ In case of need, we will contact the parent to pick up the child at school.
We will follow the procedures of the child pick up card system (Hikiwatashi card)
• We inform you this matter by emergency contact (the school mail, etc.) system.

<Reference>

- ① In case blizzard warning (Boufusetu Keihou) is issued, it is taken the same action as heavy rain warning (Bouu Keihou) from March 17, 2016
- ② The conditions of the way to school are different in each area. In case that there is a danger with strong wind, heavy rain, flood or thunder, we will take proper actions communicating with Chikuin (the district representative).
- ③ In case that the school is closed because the warning is issued, let the children come to school next day with the preparation of the normal class schedule.
- ④ We will inform you the schedules of school bus through the mail.
- ⑤ When we need emergency contact such as the storm warning, blizzard warning or emergency warning, we will inform you through our school mail system. Please refrain from calling our school individually.
- ⑥ Weather information of TV or radio is reported by each city from May 27, 2010.
- ⑦ The emergency warning such as Heavy rain, Storm, Blizzard or Heavy snow are possible to make serious disaster. We will take same actions as storm warning for these emergency warnings

These mentioned above. are the principle. We may change the actions depends on the strength of storm, water-covered road or bridge or the breachin the bank. In case that, we will inform you by emergency contact (the school mail, etc.) system.
